Portfolio:<https://fatimatabassum743.github.io/Portfolio/> Hyderabad, India

SUMMARY

I am an enthusiastic and detail-oriented Frontend Developer with over 2 years of experience. I possess a strong foundation in web development, particularly with React.js and React Native. My passion lies in delivering creative solutions and improving user experiences through collaborative teamwork. I am eager to leverage my technical expertise and problem-solving skills to contribute effectively to my next project.

EXPERIENCE

Frontend Developer

Hyderabad, India

[PTR Technologies](#)

10/2022 - Present

Frontend Developer with over 2 years of experience.

- Worked extensively with React.js, React Native, Redux Toolkit, and Redux Thunk to build dynamic and responsive web applications.
- Developed and maintained complex UIs for ECommerce platforms, Inventory Management using Reactjs and the Packer Mobile Application using React Native.
- Created reusable components and managed state efficiently, ensuring a seamless user experience.
- Collaborated closely with cross-functional teams, optimized performance, and ensured code quality through best practices.

PROJECTS
